

The screenshot shows a Windows Internet Explorer browser window displaying a Wikio article. The address bar shows the URL: <http://www.wikio.it/article/idee-circolano-ideamocracy-271880355>. The article title is "Le Idee circolano con Ideamocracy" and it was published on 15/06/2011 by the user 'franzusso'. The article text describes the Ideamocracy contest, which aims to improve public participation through social networks. It mentions that 62 ideas were presented for the development of web or mobile applications to improve public participation. The contest was held from April 18 to April 30, 2011. The article also mentions that the winning ideas will be presented at a round table organized by TagBoLab, a marketing laboratory at the University of Bologna. The article includes a sidebar with a "Partecipa" section and a list of "5 ultimi articoli di franzusso".
